The 38th Annual AG EXPO will be held January 17 & 18, 2020, at the Ike Hamilton Expo Center in West Monroe, LA. Hosted by the North Louisiana Agri-Business Council, AG EXPO is unique in the Louisiana, South Arkansas, East Texas and Mississippi areas. This premier event is attended annually by approximately 10,000+ people from the region.

AG EXPO educates the public on the many ways agriculture touches daily lives, from explaining the food chain to the multiple uses of agricultural products. It introduces advances in technology and science being made for efficiencies in growing, harvesting and marketing all kinds of commodities. The event provides a most unique opportunity for the agri-business community to educate and network. It is an event the entire family enjoys.

AG EXPO is a combination of several events in one venue, which assures appeal to the agricultural community and the general public. There are educational "ag alleys" featuring commodities and a mini-farm that targets youth but is enjoyed by all ages; a Junior Livestock Show, Stock Dog Trials, a Horse Exhibit, the Trade Show, a variety of educational seminars and an Agricultural Awards Luncheon which recognizes regional agricultural and agri-business leaders.
