The 29th Annual AG EXPO will be held January 14 & 15, 2011, at the Ike Hamilton Expo Center in West Monroe, LA. Hosted by the North Louisiana Agri-Business Council, AG EXPO is unique in the Louisiana, south Arkansas, east Texas and Mississippi area. This premier event is attended annually by approximately 10,000 people from the region. AG EXPO 2011 will be enhanced by attendance from the Louisiana Cattlemen's Association annual convention to be held simultaneously in West Monroe, LA.

AG EXPO annually educates the public on the many ways agriculture touches daily lives, from explaining the food chain to the multiple uses of agricultural products. It introduces advances in technology and science being made for efficiencies in growing, harvesting and marketing all kinds of commodities. The event provides a most unique opportunity for the agri-business community to display products and services. It is an event the entire family enjoys.

AG EXPO is a combination of several events tied into one venue, which assures wide appeal. There is an educational "ag alley" including a mini farm that targets youth but is enjoyed by all ages; a livestock show, a trade show, and an Agricultural Awards Luncheon which recognizes regional agricultural and agri-business leaders.
